Konu: FAS TARAFINDAN GERÇEKLEŞTİRİLEN TIBBİ VE MEDİKAL MALZEME
İTHALATI

SİRKÜLER (G-2019)

Sayın Üyemiz,

TİM'dan alınan bir yazıda, Rabat Ticaret Müşavirliği'nden alınan bir yazıya atıfla, **Fas'a gerçekleştirilecek tıbbi ve medikal malzeme ithalatı** için Sağlık Bakanlığına bağlı olan İlaç ve Eczacılık Müdürlüğü tarafından verilen "özel izin", "tescil belgesi"nin yanısıra "tescil başvurusu alındı belgesi" veya "usulüne göre onaylanmış faturaların" sunulması gerektiği yönünde bir düzenleme yapıldığı ancak, ekte yer alan sirküler içerisinde yer alan listede bahsi geçen ürünlerin söz konusu izin ve tescil uygulamasına tabi tutulmayacağı belirtilmekte, söz konusu ürünlerin ülkemizden Fas'a ithali esnasında ilgili kamu kurumundan belge temini ve izin sürecinin ithalat süresi ve maliyetlerini artırma ihtimali olduğu belirtilmektedir.

Bilgilerine sunulur.
